Alma Mater

Our hearts are with you, Rossford High,
We'll stand by you until we die.
We love our dear Maroon and Gray,
We'll cheer tomorrow as today.
Ever loyal we will be,
Striving to eternity;
We will never be untrue,
Oh, Rossford High we sing to you.

Vivian Skaggs Smith (1942)

Wayworn,

What Lies Beyond?

"Wayworn, pressed with toils and strife,
we are waiting, hoping, watching, praying,
till we reach the gates of life."
Ray Palmer

What is man searching for? Why are we "pressed with toils and strife"? What is the answer to the riddle of life?

These are questions which can never be fully answered, yet we all have our own beliefs. Few men would say that after life there is nothing. If there is nothing after life, why does man endure all that he does? Why not live life to its fullest and end it if it becomes burdensome?

No, we do not do this because we believe that all cannot be for nothing; there must be something after life. We feel that his life is but a preparation for another. Longfellow says, "Learn to labor and to wait." Man does this either knowingly or unknowingly, yet sometimes in every man's life he asks, "For what?"

Administration

For the past three years, Mr. Wayne O. Hosafros has been the Superintendent of the Rossford school system.

We, the students, appreciate the interest and the effort Mr. Hosafros has shown toward us.

We are sure that he will be remembered by us for many years to come.

This year the student body had the pleasure of welcoming Mr. Albert E. Perkins as Principal of the senior high.

He has made this year memorable and outstanding for all who have come to know him.

We hope that Mr. Perkins will continue to have many more progressive years as principal.

Although it was his first year as Director of Special Services, Mr. Edgar E. Andrews has done a very admirable job.

We wish to thank Mr. Andrews for all the services he has rendered to us; and congratulate him on the fine achievements he has accomplished this year in his new position.

We extend our congratulations to Mr. Alton A. Gladieux for his successful first year as Principal of the junior high. Mr. Gladieux has done many fine things for our school and we know that he will continue on doing so.

Senior Class History

September of 1964 was the first time that we met together as a class. We chose Jim Holefka as our president with Bill Kurfis, vice-president; Ruth Ewanski, secretary; and Kathy Creps, treasurer. Mr. Stalma and Mrs. Larson were our advisers. Cheryl Boris represented our class in the Basketball Homecoming. Three members of our class, Janet Bachmayer, Pat Cieply, and Beverly Patronik were varsity majorettes. The cheerleaders were: Cheryl Boris, Marinda Eckel, Debbie Nyburg, Kathi Przysiecki, and Maryann Wojton.

Then we found that we were sophomores. Ted Eckel was elected president with Bill Kurfis, vice-president; Janice Pocisk, secretary; and Lynn Burwell, treasurer. Mr. Wimberly and Mr. Cooney served as our advisers. Our big project of the year was the Christmas Ball, "The Night Before Christmas", held on December 8, 1965. A few weeks after that we selected and ordered our class rings. We chose Kathy Creps to represent our class in the Basketball Homecoming. Varsity majorettes were: Janet Bachmayer, Pat Cieply, Kathy Kowalka, and Beverly Patronik, drum major. Reserve cheerleaders were: Gerri Bilski, Cheryl Boris, Carolyn McKosky, Debbie Nyburg, Kathie Przysiecki, and Maryann Wojton.

All too soon we realized that we were juniors and that one-half of our high school days were over. Our class officers were Laura Failor, president; Ted Eckel, vice-president; Janet Jarosz, secretary; and Randy Sevenish, treasurer. We had Mr. Wolfe and Mr. Kohler to guide us through the busy year ahead. We received our class rings on August 31, 1966. Our first project was the magazine drive. Our class had the highest sales ever at Rossford as we went over our goal of $2,000. On March 3, 1967, thirteen members of our class were installed as members of the National Honor Society. That spring, for the first time, an all school play was presented instead of a junior play. We held the J-Hop on April 15, 1967. After a vigorous campaign, John Colapietro was elected Student Council President. On May 20, 1967, in the field house, we honored the seniors with the best prom in the school's history, "Lollipops and Roses." Lynn Burwell and Debbie Nyburg were our Football Homecoming attendants. Beverly Patronik was our Basketball Homecoming attendant. Janet Bachmayer and Kathy Kowalka were varsity majorettes with Beverly Patronik as drum major. Juniors who were varsity cheerleaders were: Gerri Bilski, Cheryl Boris, Carolyn McKosky, Debbie Nyburg, Kathi Przysiecki, and Sherman Garner, mascot.

Suddenly we were seniors. It was hard to believe! Randy Sevenish was our class president with Jim Holefka, vice-president; Mark Spencer, secretary; and Kathy Zolkiewicz, treasurer. Mr. Croop and Miss Kimmel were there to help us through our last year. Among other decisions we had to choose our class motto, flower, and colors. We ordered name cards and graduation announcements. The senior class play, "The Curious Savage" starring Gerri Bilski, was presented November 11 and 12, 1967. Our senior pictures arrived at the end of November. On February 3, 1968, we sponsored the Basketball Homecoming. We also had a candy sale to raise funds for the trip to Washington, D. C. and colonial Virginia on May 24 to 30, 1968. We won the N.L.L. Championship this year in basketball and were runners-up in football. Lynn Burwell was Football Homecoming Queen with Inger Hove and Debbie Nyburg as attendants. Marinda Eckel was Basketball Homecoming Queen and Carolyn McKosky was attendant. Our queen candidate for Student Council was Beverly Patronik. Janice Pocisk was our Y-Teen queen candidate and Debbie Nyburg was our wrestling representative. On Sunday, June 2, 1968, wearing class colors of gold and white, our class of 113 became the forty-fifth class to graduate from Rossford High School.

Respectfully submitted,
Beverly Patronik, Class Historian

These young people are the citizens of tomorrow who will help to better our community and meet the challenge of the world around us. Some will meet this challenge by getting jobs; others will go to college; and yet others will go into the military to serve our country. Wherever they are, though, their education and background will always reflect on their alma mater, Rossford High School.

Undergraduates

These are the younger people of today, who are to follow in the footsteps of the seniors. Their challenge is to live up to the achievements and to reach or to surpass the goals of the class ahead of them, so that they can contribute their best to their school, as well as their community. At the same time, they must be able to set a worthy example for the students who are younger than they.

Record

Rossford 0 Lake 6

The Lake Flyers defeated the Bulldogs, 6 to 0, on an intercepted pass in the third quarter. The game was dominated by both defenses, as the Bulldog offense just couldn't get started. The Bulldogs started off their season on a bad note, but they were soon to change the tune.

Rossford 30 Anthony Wayne 14

The Bulldogs defeated the Generals in their second league game, 30 to 14. Scoring for Rossford were Randy Sevenish, Delbert Tidale, and Greg Weber, each with one touchdown. Don Tisdale had one touchdown and three 2 point conversions. The Bulldogs were on their way.

Rossford 30 Eastwood 0

Rossford then showed signs of greatness, as thev humiliated last year's champs, 30 to 0. Greg Weber scored one touchdown, while Don Tisdale scored two touchdowns. Greg Weber and Jim Holefka each scored one 2 point conversion. Rossford is now 2 and 1 in the N.L.L., and tied for the league lead.

Rossford 28 Springfield 6

The Bulldogs won their third straight league game to stay on top of the league by beating the Blue Devils. All the scoring was done in the first half. Springfield scored first, but Rossford didn't take long to overcome this. Randy Sevenish scored two touchdowns and Don Tisdale and Greg Weber had one each. Weber and Sevenish each had one 2-point conversion. The record now rests at 3 and 1.

Rossford 8 Maumee 6

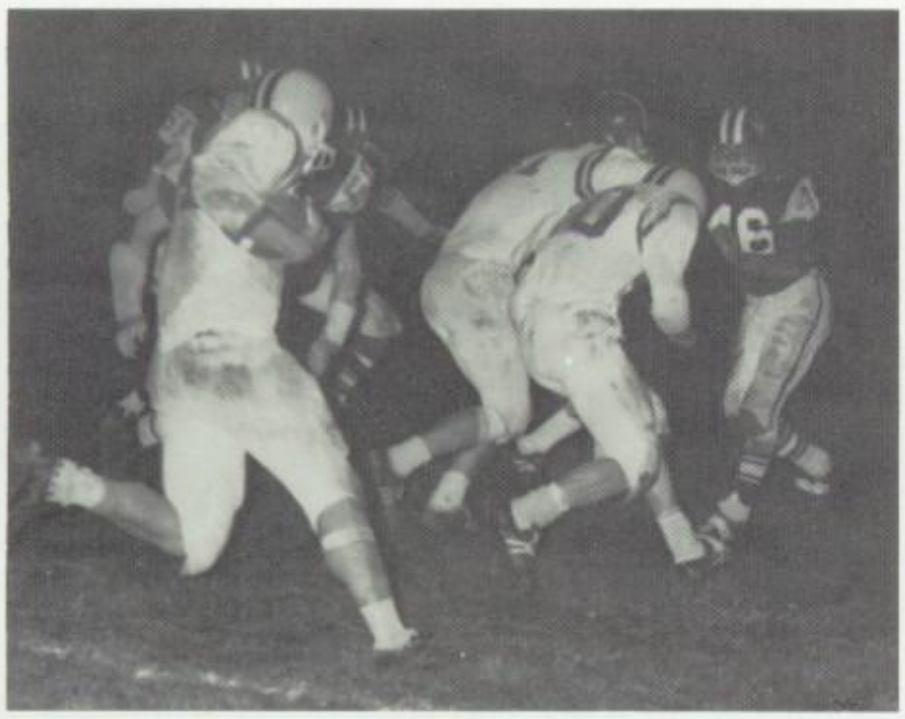
In a game dominated by defense, the Bulldogs came out on top by two points made on a touchdown by Randy Sevenish. The 2-point conversion was made by Don Tisdale. This was Dad's Night for the Bulldogs, and they presented a great game and an important victory for them. The Bulldogs are riding on top of the league with a 4 and 1 record.

Rossford 30 Elmwood 12

Although it rained all during the game and the Royals put up a good fight, the Bulldogs played like the great team they were and controlled the whole game. Scoring for the Bulldogs were Don Tisdale with two touchdowns. and Randy Sevenish with a 95-yard kickoff return for a touchdown. Randy Sevenish and Steve Hess each scored a 2-point conversion. The Bulldogs are 5 and 1 and still on top!

Rossford 14 Perrysburg 34

The Bulldogs lost their Homecoming game and their chance to win the league title to Perrysburg before the largest crowd in the history of R. H. S., 3,800 people. They were just too big for the Bulldogs, but Rossford fought hard the whole game. Steve Hess caught a pass from John Hreben for the first touchdown and Don Tisdale scored the other touchdown on a 66-yard run. John Hreben scored 2 points on the conversion after Don's touchdown. The Bulldogs now drop down to second place with a 5 and 1 record with 2 games left to play.

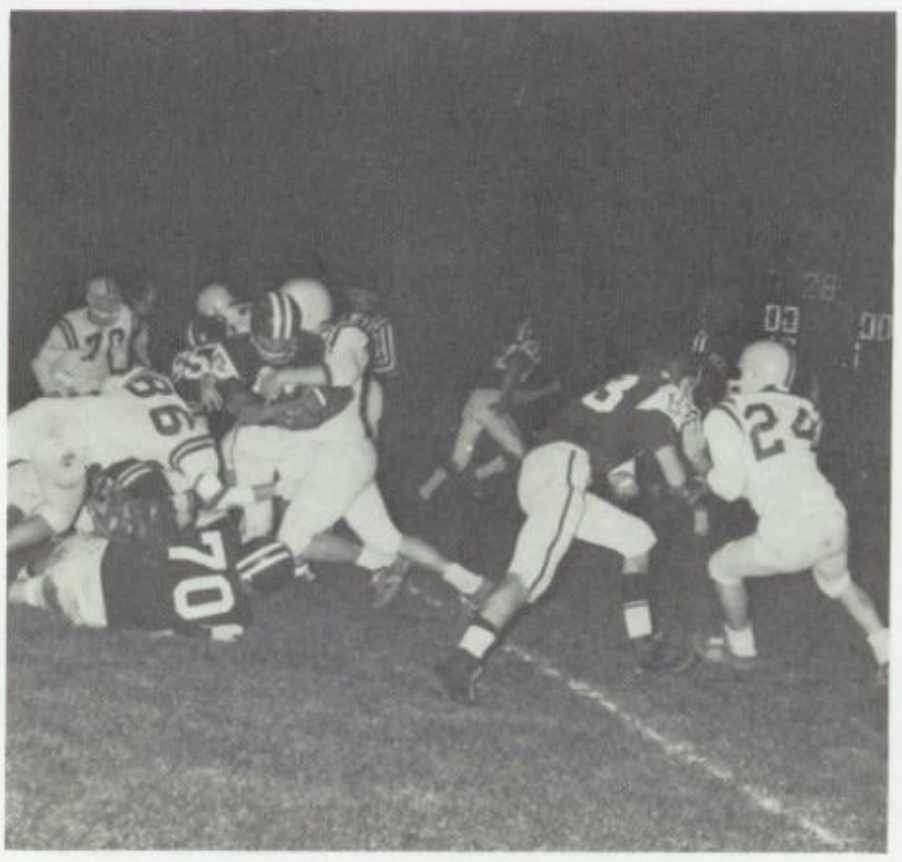


Rossford 26 Genoa 12

The temperature was low but the excitement was high at Genoa as the Bulldogs came from behind to win the game by 4 points. Rossford scored first on a 44-yard touchdown by Don Tisdale. Joe Creps then went 66 yards for the second touchdown. This made the score Comets 14, Bulldogs 12 at the half. Don Tisdale then scored his second touchdown and right after this Genoa scored. Don came back and scored his third touchdown of the night with three minutes left in the game to wrap up the sixth victory for the Bulldogs against two losses. This was the last N.L.L. game and Rossford finished in a second-place tie with Eastwood.

Rossford 12 Lakota 8

The Bulldogs closed out their 1967 season with a non-league victory over Lakota. During that game it snowed, rained, hailed, and all this time a 25 m.p.h. wind was blowing. The temperature never got above 20 degrees, but the Bulldogs got hot in the last two minutes to win the game. Don Tisdale scored the first touchdown for Rossford in the first half. But, Lakota scored first in the second half and that made the score 8 to 6 with Lakota ahead. Lakota then fumbled and Rossford recovered and drove 30 yards for a touchdown made by Randy Sevenish. The Bulldogs ended the season with a fine 7 and 2 record.



Summary

This was a great football season for the Bulldogs of Rossford High School. It was thought, before the season started, that this year would be for rebuilding the team. After the season was over, however, the Bulldogs had compiled a 7-2-0 record. They surprised everyone except themselves. The Bulldogs were runners-up in the Northern Lakes League and had three players on the N.L.L. League team.

The Bulldogs always played as a team, whether they won or lost.

The school congratulates the six seniors who have played their last season for Rossford and wishes them the best of luck in what the future holds.

To the underclassmen, we wish all the luck in the world in their future years of playing for R.H.S., and we hope you will uphold the winning tradition of Rossford.

Students From Abroad

On August nineteenth at 11:00 P.M. a plane landed at the Detroit Metropolitan Airport direct from Europe. On board were Rossford High School's first two exchange students, Inger Hove and Karin Samuelsson. Inger hails from Copenhagen, Denmark. Karin's home is in Gavle, Sweden. The girls came in connection with the program, Youth for Understanding, with the help of their local representative, Mr. Philip Halloran.

Long before their arrival, arrangements had been made with two host families who were to take the girls in as a part of their families. Karin's new home was with the David Grove family. Inger became a part of the Melvin Burwell Jr. family.

At school the girls were made welcome and soon acquired numerous friends. They participated in many school activities and during the fall they were both spectators at their first football game.

It has been a great pleasure having Karin and Inger here in Rossford. The students and faculty have enjoyed having them in class and have benefited from their presence. Perhaps, through this exchange program, foreign relations will be strengthened and a greater understanding will develop between the United States and other countries.

Long after Karin and Inger have returned to their homelands, they will be thought of often by the friends they have made here in Rossford.

Education...our greatest CHALLENGE...

There is no challenge to our modern society and no opportunity greater than educating our youth.

The old adage that says, "True intelligence is the power to adapt," has never held more meaning.

We have had and will continue to have a knowledge explosion. Four times as much is known today as was known in 1935.

U. S. Department of Labor studies point out that an individual's asset of experience increasingly will carry less weight than his level of education. Many occupations of the future are not now even in existence.

The only sound educational target for such a future is to plan for these occupations which do not yet exist. Students must be able to learn how to learn and to apply themselves to new conditions as they arise.

This is no vocational assignment alone. Our nation needs intellectual as well as material growth. Our nation needs citizens as much as workers.

Owens-Illinois is but one of the hundreds of American business organizations concerned by this challenge and actively engaged in specific ways and means to meet it.

Reddy Says: We Want People to "Get Ahead"

Today's classrooms furnish knowledge that will help in tomorrow's world. That's why Toledo Edison urges employees to improve their skills, abilities and mental growth through company-sponsored education and training programs such as:

EDUCATION ASSISTANCE PLANS
ADVANCED MANAGEMENT COURSES
FOREMANSHIP CLASSES
SPECIAL ON THE JOB TRAINING AND STUDY

But. we also encourage other people to continue their education so they can qualify for increasingly important jobs such as those at Toledo Edison.
